

APPENDIX

The following enactments are no longer of general interest, mainly because their provisions were fully carried out directly after enactment or adoption. Since they are mainly of historical or special interest, it has not been considered necessary to include their entire text. Instead, they are arranged in groups, according to subject matter, and within each group all enactments are listed by title in chronological order. The content of these ordinances or resolutions is indexed, in all necessary detail, in the general index at the end of this volume. Persons desiring to read the full text of any of these ordinances or resolutions may do so by consulting the original ordinance books in the office of the Township Secretary.

The enactments in this Appendix are grouped under the following headings:

- A..... Agreements and Contracts
- B..... Annexation of Territory

- D..... Governmental and Intergovernmental Affairs
- E..... Plan Approval
